

Mitochondrial diseases in children clinical study day

This clinical study day is aimed at professionals involved with children suffering from Mitochondrial Disorders, and is suitable for paediatricians (general and sub-speciality), geneticists, paediatric trainees, paediatric nurses, paediatric therapists and any other professional working with children.

The day will cover information about the disease, current management strategies and research updates.

When:	Wednesday 21st November 2018
Time:	9.30am-4.30pm
Where:	Douglas House, Magdalen Road, Oxford, OX4 1RW. Parking is limited, please use public transport if possible.
Cost:	£10 non-refundable at booking. Includes refreshments and light lunch.

The event is being run by the Oxford Mitochondrial Diseases Team, which is part of the NHS Highly Specialised Service for Rare Mitochondrial Disorders.

For further information, or to make a booking, please email mitohelp@ouh.nhs.uk or contact Sabrina Sturdy on 01865 221007.
